Sir,—

Sec. 1 Tp. 50 K, West 4 Mer

Referring to [illegible] application from [illegible] of Lilloet, B.C. [illegible] I have to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to ex-settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the [illegible] section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Acting Commissioner
of Dominion Lands.

to have a man like him, who is able to improve these lands, and whose intention is to expend considerable money on them, locate here.

I enclose you a copy of the letter received by Edwards from the Dominion Lands Agent at Calgary, which speaks for itself, and may be of some considerable assistance to you in tracing the papers ~~of~~ the Department.

I would be pleased if you would make special effort in reference to this request of the Captains, and endeavor to have it granted.

Thanking you in advance, I remain,

Yours truly,

George. Riley, Esq.,

My Dear Riley:-

Once more I will take the liberty of imposing upon your time and patience in behalf of my client Captain H.J.Wigle. This time it is in reference to some lands in Alberta, which my client wishes to procure from the Department.

During the past Winter the Captain took a trip to Calgary, and while there purchased from the C.P.R. one-half or three-quarters of section 12, Township 28, Range 29, West of 4th. Meridian, and was endeavoring to get also the West quarter section in the same Township and range, but on enquiry he found that an entry for the West quarter section 12,, Township 28, Range 29 had been made by one, Arthur. W. Edwards, and that he had done some work on the section, but had not lived up to the requirements of the Department. Edwards is at present in Saginaw, Michigan, and my client has communicated with him, and he is willing to assign any interest he has in the quarter section to Captain Wigle. If we can arrange to have a homestead entry granted to the Captain, for this quarter section. If this can possibly be arranged, it is the intention of my client to build upon this quarter section this Fall, and start improving it at once. As he owns the balance of the section, I think it is not unreasonable to ask the Department to grant him this concession, as you are aware he has always been a friend of ours, and is deserving of some little consideration, especially when it is not going to cost anything, and will to my mind, be an advantage

Hon. Dr. Roche,
Minister of the Interior,
Ottawa, Ontario.

Dear Sir -

Attention J. G. Mitchell, Private Secretary.
Re N.E. 1/4 - 22-40-22 West 4th.

Referring to your letter of November 24th in which you state that there is no land in the N.E. 1/4 of Section 22-40-22 W. 4th, that is not covered by the waters of Buffalo Lake; I was also under this impression, and some year or two ago gave a license to the Grand Trunk Pacific Branch Lines Company to lay a pipe line across this quarter section and erect a pump house on the shores of the Lake for the purpose of suppyling water for the Railway's purposes at the divisional point of Mirror, Alberta.

The G.T.P. engineers have had this land surveyed, and I am enclosing herewith a blue print showing the location of this pipe line and pump house, from which you will see that the pump house is situated on the land in the North East quarter of this section. From the details shewn on this plan, it would appear that there is a strip of land on the west side of this quarter section varying in width from 110 to 133 feet in that portion which is used for the pump house. This narrow strip of land is, of course, of no value to anyone except the owner of this quarter section.

What I wish to secure is whatever land there is in this quarter section not covered by the waters of Buffalo Lake, whether the same contains an acre, more or less, and will be greatly obliged if you will re-consider this matter and instruct the Department to forward me a Patent for this small parcel of land.

Yours truly,

Encl.

WAC/B

P.S. I would like you to return the blue print at your convenience.

Madam:-

Lease, The Mirror Board of Trade.
Fr. L.S.L. of Sec. 21-40-2-W.4.M.

I beg to acknowledge the receipt of your letter of the 19th ultimo enclosing Bank Money Order for $10.00 being the rental for one year in connection with the above mentioned lease. In this connection I may state that in accordance with the application therefor the issue of a lease for this land to the Mirror Board of Trade for 10 years at an annual rental of $10.00 was authorized by the Order-in-Council of the 17th November last, and it is not now deemed advisable to apply to Council for authority to issue the lease in favour of the Village of Mirror.

In order to get over the difficulty, however, it is suggested, if such a course would prove satisfactory to the Village and the Board of Trade, that the lease be completed in accordance with the Order-in-Council in favour of the Board, and that the Board then assign the lease to the Village.

If this procedure is adopted and the lease is issued to the Board of Trade it will be necessary to file here an assignment of the lease after the same has been issued together with a registration fee of $2.00, and, if satisfactory, the assignment will be registered here and a certificate of such registration will be endorsed on the lease.

Please advise the Department if this suggestion meets with the approval of the Board of Trade and the Village of Mirror, and if so the preparation of the lease will be proceeded with.

Sir,-

I am enclosing petition of the Mirror Board of Trade and the U.F.A., requesting to secure from the Government the land surrounding Buffalo Lake, which is of material importance to the Village.

I enclose a sketch showing the situation of Mirror in connection with Buffalo Lake. You will note the fractional portion of the N.E. 4 42-19-4 marked in red. This parcel belongs to the Canadian Government and it is the desire of the Board of Trade to make some arrangement with the Government for leasing this land for a summer resort. Plans are under way for the erection of a few summer houses and a pavilion-pier, boat house and bathing houses. Several parties have already signified their desire to rent these houses, and it is felt that this summer trade will mean considerable to Mirror.

I would strongly urge upon you the necessity of of a decision being arrived at with as little delay as possible, as it will take every moment of the time now available to get things in readiness for the summer months.

It is hoped that you may be successful in favorably placing our petition before the Minister, and I assure you that your efforts in our behalf will be appreciated not only by the executive of the Board of Trade, but by the community at large.

Yours faithfully,

Dear Sir:

Dr. Deville.

We are in receipt of a communication regarding the fractional N.E.¼ of 22-40-22, W. 4th. It is stated that the area shown on our plan for the above mentioned township is incorrect, but in view of the fact that you instructed that patents for lands rendered fractional by lakes in this township, are to be withheld pending the issue of a new township plan, I would be glad if you would kindly let me have a report as to the present area of the land applied for.

MEMORANDUM:

Referring to your memorandum of 10th September, the area of the fractional northeast quarter of sec. 22, tp. 40-22-4 is 6.35 acres according to the official plan of the township. The land is a narrow strip along the shore of Buffalo lake and as the township was surveyed in 1893, the area is probably incorrect because the lake must have changed since it was surveyed.

Instructions have been issued for a new survey of the water areas in the township. As soon as the returns for this work are received you will be advised of the area of this quarter section.

My dear Sir,

I have your favour of the 30th ultimo respecting the North West quarter of Section 22, Township 40, Range 22, West of the 4th Meridian, stating that there is a small strip of land between this quarter and Buffalo Lake, which you desire to purchase in order to give you access to the Lake.

In reply I may say that according to the official plan of the Township, the area of the fractional North West quarter of Section 22, is 6.75 acres, but as the Township was surveyed in 1893 and the lake may have changed since it was surveyed, the area above given is probably incorrect. However instructions have been issued for a new survey of the water areas in this Township, and as soon as the returns for this work are received your request will be given further consideration.

Yours faithfully,

Mitchell, Esq.,

Re Left [illegible]

Referring to [illegible] letter of the 11th. inst. concerning [illegible] Apparently Mr. W.A. Campbell is the owner of the north west ¼ of this section, which was patented to [illegible] Leslie Cook on the 12th. March, 1911, and Mr. Campbell desires to acquire whatever area of land there may be in the adjoining quarter section, the N.E. of 22.

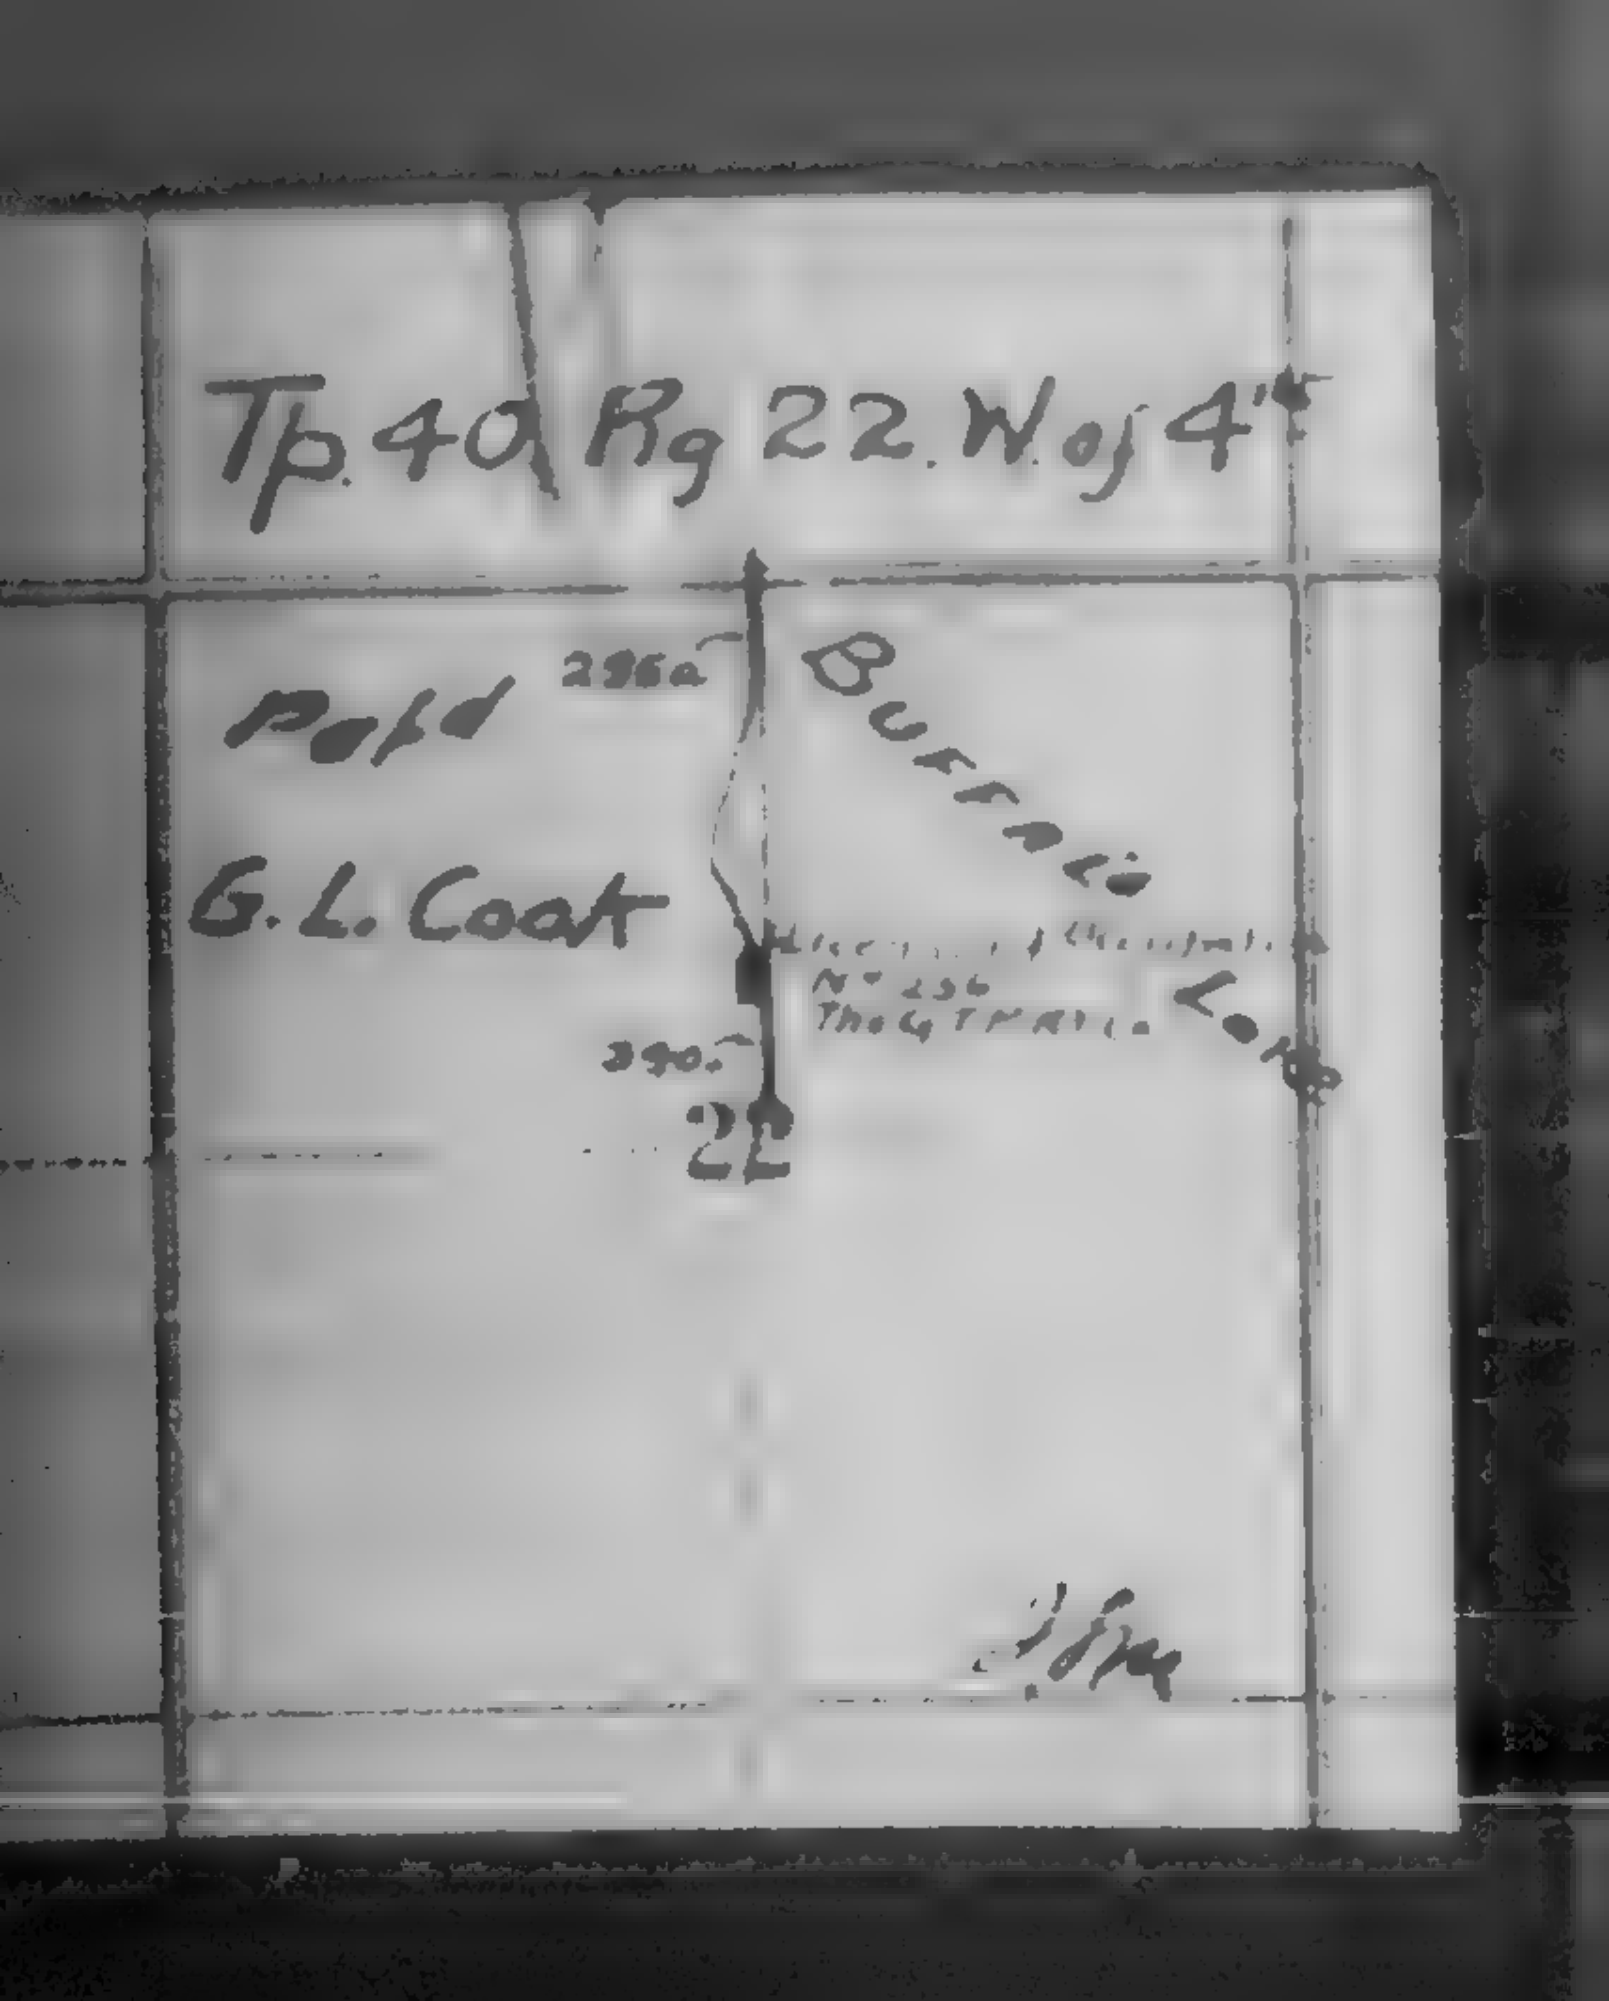

The Surveyor General suggests that the western [illegible] of legal sub-divisions in N.E. 22, [illegible] area of [illegible] be disposed of.

According to the application, the land in the [illegible] quarter is [illegible] a small [illegible] river front of the latter, [illegible] approximately 2.50 acres of [illegible] land, [illegible] is legal sub-divisions in. A license of occupation in favour of the [illegible] Railway Company was issued for 74 [illegible] of which is the latter legal sub-division and is covered by the sketch. It would appear that Mr. Campbell owns a license of occupation to the same [illegible] which covers the north west quarter.

According to the practice of the Department, if Mr. Campbell will file here an abstract of title showing that he is the registered owner of the north west quarter

of this.....

of this section, I do not see any objection to complying with the Surveyor General's suggestion by disposing to him of the westerly one-eighth of legal sub-divisions 10 and 15, but this should be done under a valuation to be placed thereon by the Commissioner.

To His Excellency
The Governor General in Council.

The undersigned has the honour to report that an application has been received from The Board of Trade of the Village of Mirror, in the Province of Alberta, for a lease of Fractional Lot 1 Subdivision 1½ of Section 32, Township 40, in Range 21, West of the 4th Meridian, lying West of the Buffalo Lake in the said Province of Alberta, for the purpose of using the land as a summer resort and erecting thereon summer cottages, a bathing pier, boat house, and bathing houses.

As the land applied for, according to a recent report of an officer of the Department of the Interior, is unsuitable for agricultural purposes, and is available, the undersigned is of the opinion that the application should receive favourable consideration and he therefore begs to recommend that he be authorized, under the provisions of Sections 4 and 5 of Chapter 57 of the Revised Statutes of Canada, 1906, to issue a lease, for the said Fractional Lot 1 Subdivision 1½ of Section 32, Township 40, Range 21, West of the 4th Meridian, lying West of Buffalo Lake, in the Province of Alberta to The Mirror Board of Trade, Mirror, Alberta, for the purpose of a summer resort and the erection thereon of summer cottages, boat house, bathing pier, for a term of ten years, renewable at the discretion of the Minister of the Interior, at an annual rental of $10.00, and on the usual conditions and subject, further, to the provision that the lands be subject to the same restrictions regarding the protection of game as are in force in the Buffalo Lake Reserve for sanctuary purposes.

Madam,

Lease, The Mirror Board of Trade
Fr. L.L. 15 of Sec. 22--40--22, 4th M.

I beg to acknowledge the receipt of your letter of the 10th ultimo enclosing Bank Money Order for $10.00 being the rental for one year in connection with the above mentioned lease. In this connection I may state that in accordance with the application therefor the issue of a lease for this land to the Mirror Board of Trade for 10 years at an annual rental of $10.00 was authorized by the Order in Council of the 17th November last, and it is not now deemed advisable to apply to Council for authority to issue the lease in favour of the Village of Mirror.

In order to get over the difficulty, however, it is suggested, if such a course would prove satisfactory to the Village and the Board of Trade, that the lease be completed in accordance with the Order in Council in favour of the Board, and that the Board then assign the lease to the Village.

If this procedure is adopted and the lease is issued to the Board of Trade it will be necessary to file here an assignment of the lease after the same has been issued together with a registration fee of $2.00, and, if satisfactory, the assignment will be registered here and a certificate of such registration will be endorsed on the lease.

Please advise the Department if this suggestion meets with the approval of the Board of Trade and the Village of Mirror, and if so, the preparation of the lease will be proceeded with.

I may add that the rental therefor is in arrears from the 1st May, 1924, and upon a reminder of the amount due having been forwarded to Mr. J.J. There are no funds so that above sum cannot be paid at the present time."

I would enquire if in the circumstances the Village of Mirror is desirous of taking over the unexpired lease of the Mirror Board of Trade and acquiring the land in question under the conditions as contained in the lease. I, Ole E. Kravik of the Dorenlee in the Province of Alberta

DO SOLEMNLY DECLARE that my rothers proper name was Anna Ellingson. I have been known as Ole E Kravik for the last twenty years, when our family moved from Norway to the United States of America we located at Nielsville, Minnesota, and there was another family there by the name of Ellingson, we were constantly getting each others mail and to avoid this my eldest brother adopted the name of Kravick and the rest of the family did the same. My rother retained the name of Ellingson and when we came to Canada she took up land in her own name Anna Ellingson. The lawyer who made out the administration papers made a mistake in adding the name of Kravick to my rothers name as she was allways known by the name of Anna Ellingson.

Dear Sir

Received yours of the 30th ult. & beg to say: I have not received a letter from you re SE/4 14-42-21 w 4 ~~for~~ this year.

The last letter from you was for a statement showing house had been put on land.

This was sent to you: but I had been wondering why Patent had not been issued. Yours thereof. The heir to property has been at the war this last year or more & this cattle have been given to E. S. Pearson Jun't on shares. The place had been inspected by Inspector ~~Reid~~ who was all fenced & then I was ordered to build house which was also done. Now the order for cattle sheds & cattle are at Pearsons I should think there has been a mistake made somewhere

Re S.W. 1/4 Sec. 32 Tp 1 Rge 23 west of 4"

Dear Sir:

It has come to my knowledge that my Son, Lester Dunne Law in sustaining proof and supplementary Statements on said S.W. 1/4 made them conflicting materially: I wish to make statements regarding the same for which I can furnish ample proof to satisfy the Department, I believe.

"On Nov. 2" 1902 my son Lester Dunne Law, was 18 years of age. During that month I made entry for him at the Land Office in Lethbridge for the S.W. 1/4 of Sec. 32 Tp. 1 Range 23 west of 4": He lived with me on my home-stead, (the S W 1/4 of 19-1 23 west of 4") all of the time until december 1905 with the exceptions of five months absence to attend School; from Nov. 1" 1903 to Apr. 1" 1904. which time he lived with my family on Land I purchased from the Hudsons Bay Co. and held a title for in the N W 1/4 of 8-3-25 west of 4". In November 1905 when his three years were up I advised him to prove up and until recently thought he had done so. During the three years from Nov. 1" 1902 to Dec. 1" 1905 he fenced the quarter section, cultivated 25 or 30 acres

and had a bunch of cattle and horses of his own upon his homestead, fulfilling all the law strictly from the month in which he was 18 years of age until the very month he gained his majority."

I can furnish witnesses to prove the statements I herein make and trust it may aid the department to unravel my apparent discrepancy in his Statements. From my son I learn, as far as he can recall, his first Statement made when applying for Patent was substantially correct with the explanations given as to residence and time absent.

Very Truly Yours

James T. Lowe.

Sir

In regard to cancellation of Homestead Entry No. 7501 Omaha Land District, Nebraska, Entry of E ½ of Sec 20 - 43 - 24 West 6th Prin. I would respectfully ask you to further extend his time for two more months. For the following reasons

He has not abandoned his homestead In my sence he went home last May on account of sickness & he would rather his Mother wants him home this Summer to raise crops & he may be with us here in the fall If he come up here now & time is I would have to go back in the fall to make the proof To do so would be a cost of at least One hundred Dollars Which we cannot afford at this time

He is not of age yet he knows some of
course we depend on him now I have
to keep one hand, since the last attack
Seven acres broke and in corn potatoes etc
We have raised two crops of coals & potatoes
And I want to put in 'nuf' crop this Spring
He has 3 log buildings on the place with
20 acres broke, cowed and yet of house
logs to put up to keep house while we are
to make the corn for same. We have about
Quite a lot of people on the place
And I do not want to see him come ill
There is about 40 to 50 acres on the place
that can be broke with such machine
Short grass and shrubs on the place
I should not have paid — for the 38
Sec 10 T 3 R 1 E as it is if it had not
been for the clear land on the 130
place. There was not an acre of clear land
on the whole of this place but we conclu-
cided we could make a home for the family

Sir,-

N.½ of Sec. 20 Tp. 50 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir,

re Section 22, Tp.16, Range 2[illegible], West 4th.

We beg to make application on behalf of Hugh L. Shaw of Lacombe for leave to purchase this section. We understand that it has been reserved for some time as a quarantine ground and for dipping purposes, but it has never been used for this purpose for some years if at all. During the enforcement of the order for dipping cattle for mange, which took place last fall, the ground was not used by anyone for this purpose and we should think that it would be required at such a time for that purpose if it were ever required atall. Kindly let us know if the Department is prepared to sell this land and what price would be asked.

Yours truly,

Department of the Interior,
Ottawa, 20th June, 1905.

Memorandum:-

With reference to the copy of a letter, hereunder, dated 20th May, to the Minister from Mr. J.H. Boyle, applying on his own behalf and that of Mr. H.M. Shaw to purchase section 22, township 15, range 26, west 4th meridian, which he states is reserved for a dip for mange, and which has never been used for that purpose, I beg to say that this section was reserved, in connection with a proposal to place dipping vats and other appliances thereon for the treatment of cattle affected by mange, by Order in Council of the 9th August, 1900.

In 1902 an application was made by John C. Rollins, of Manton, to homestead a quarter section comprised in this section, and Messrs. Short & Stuart, of Calgary, applied on behalf of Messrs. John and James Ingram, of Manton, by letter of the 7th May, 1903, to purchase, or lease, 4 acres of the S.E.¼ of the said section, bordering on Mosquito Creek, on which to build a slaughter house. They were told that the land was not at the disposal of the department, and at the same time the Department of Agriculture was asked whether the reservation of this section was still required. In reply the secretary of

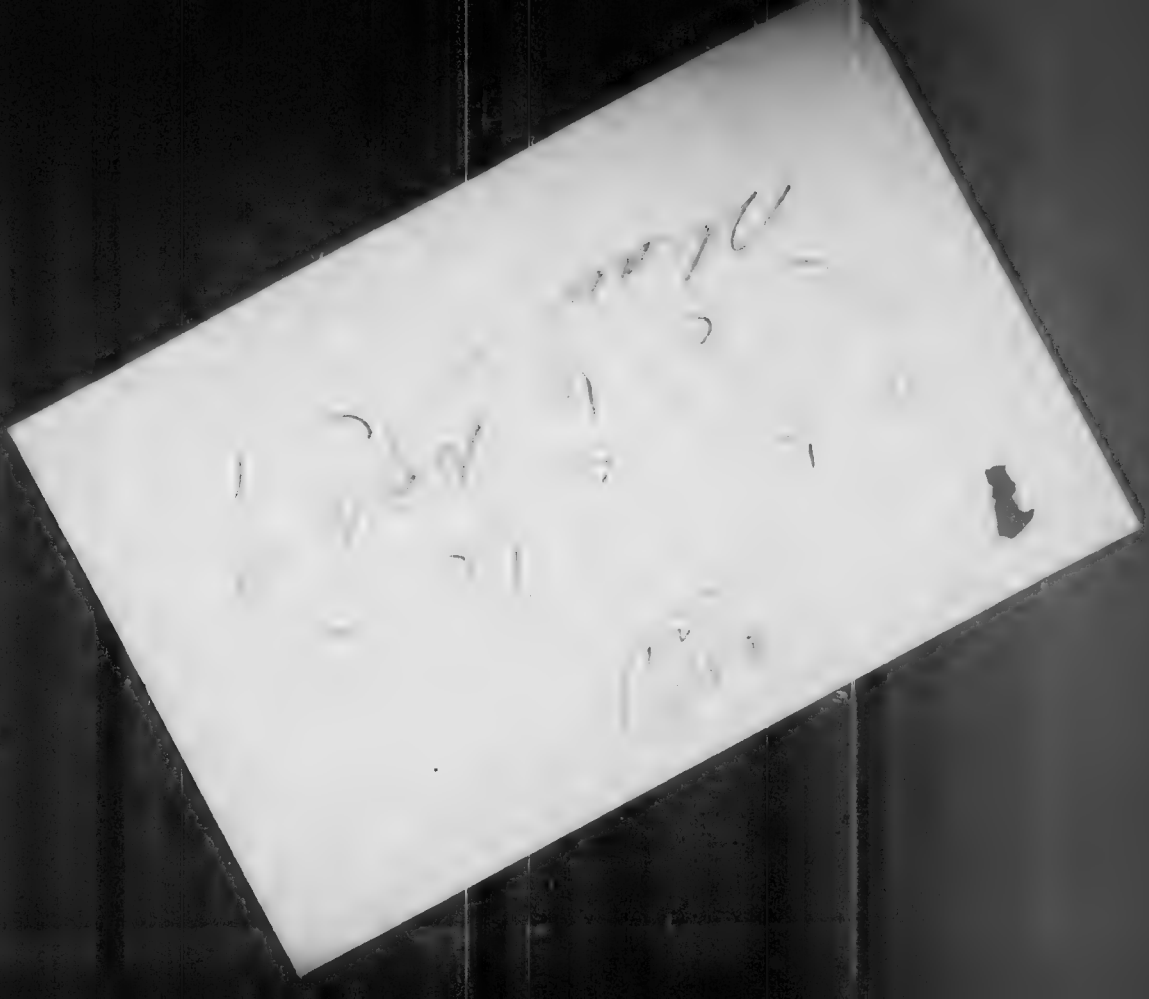

J.W. Greenway, Esq.,
Commissioner of Dominion Lands.

of that Department stated that it would not be considered desirable or possible t relinquish any portion of the reservation in question. Messrs. Short & Stuart again wrote on the15th June,1903,asking for a reconsideration of their application,and they were informed that the Department of Agriculture had advised the Department that it would not be possible to relinquish any portion of such reservation. Mr. Frank Pedley also enquired,by letter of the 25th February last,whether the Department was in a position to deal with this land,and he was advised in reply that it was not at the disposal of the Department.

Messrs. Short & Stuart applied on behalf of Mr. H.M.Shaw to purchase the section in question,stating that it had not been used for years,if at all,for the purpose for which it was reserved. They were told that the land was reserved for the Department of Agriculture by Order in Council and was not,therefore,at the disposal of this Department.

Mr. W.H.Middleton,of Nanton,applied for the N.E.¼ of the said section and the usual answer was sent him,that is to say,that the whole of this section was reserved for the Department of Agriculture. A homestead entry fee of $10 was sent the Department by Ira W. Shoop for the S.E.¼ of section 22,and such fee was returned to him as the land was not available for the purpose. (16421 A). A homestead fee of $10 was also sent the

MEMORANDUM:

In reply to your memo of the 16th instant, file 47844 A, asking if certain land is surveyed, it appears that township 28, range 16, west of the fourth meridian, has been taken as the township referred to by Mr. Kuich. From the fact that the letter was written in Manton which is in township 16, range 28 and that the quarter-section is reserved for dipping purposes (Mosquito creek runs through section 22 in township 16, range 28) and from the fact that the country is thickly settled with farmers, it would seem that township 16, range 2 is intended by Mr. Kuich and not township 28, range 16.

Township 16, range 28 is surveyed and the plan ha been printed: township 28, range 16 is not surveyed.

Sir,

I wish to inform you that I am living on the North East quarter of Section 20 Township 13 Range 5 West of the 4th Meridian in the Province of Alberta and have resided on the said Homestead.

I have also personally witnessed the following, that two of the sons of the said Homesteader do not reside with their father. I desire to know if such is often the case on Homestead Claims where it is held as a stock raising district, but several parties have to reside on or near the land in order to comply with the Law that no other Member of the family is allowed to reside thereon.

Re Sec. 22. Tp. 16. Rg. 28. W. 4th.

At a meeting of the ratepayers of the town of Nanton, held last evening, it was decided to try and procure from the Government, for the said town, the above mentioned Section, and I was appointed, by the said ratepayers, to communicate with you.

Nanton is situated on the N 1/2 of Sec. 15, Therefore Sec. 22. lies directly North of the town and joins the same

This is the only land it is at all possible for the town to acquire and is the most suitable in every respect for the purposes of the said town.

On this section is situated the only water supply obtainable for the town, and it is necessary for sanitary and other reasons that the town should control and own the same.

The town wish to have a park and agricultural ground and this is the only suitable location as well as the only place possible to procure,

The town has not at present and can not procure any other location for a nuisance ground. the C & E. R. R. Co own all of Sec 16. not included in the town limits and they have forbidden the town using their land for this purpose and refuse to sell a portion for that purpose,

Please answer the following questions -

1. Is it possible, in your opinion, for the town to get a grant of the whole of this Section, for the purpose and reason mentioned;
2. If not; can the town obtain the privelege of buying it at

a reasonable upset-price?

3. What would be the lowest upset-price?

4, If we can get a grant of part; say the S/2. might we have the privilege of buying the balance?

5, If we can not obtain it under any of the foregoing conditions at present, would it be possible for us to obtain a lease, with the option of buying when the land comes on the market, or before;

6, What are the proper steps to take in order to gain the end we desire in this matter?

7, Can, or will, you consider this as an application for this S/2, or as a renewal of the application, which I believe, has already been made, by the town, for this land.

Department of the Interior,

Ottawa, 3rd April, 1907.

MEMORANDUM:-

Under the authority of an Order-in-Council dated the 9th August, 1900, Section 22, Township 16, Range 28, West 4th Meridian, was reserved for the purposes of the Department of Agriculture, and such reserve was continued until the 8th December, 1906, when, under the authority of an Order-in-Council of that date, it was withdrawn from the reserve, and the Minister of the Interior authorized to make other disposition thereof. During the time the reserve was maintained, the following applications for the whole section or parts thereof, were received; that is to say,

J. C. Robins, of Nanton, for homestead, 26th September, 1902

John & James Ingram, of Nanton, to purchase 4 acres, 5th May, 1903.

Hugh M. Shaw, of Nanton, to purchase whole Section, 13th March, 1905.

P. J. Cowan, of Spokane, Washington, to purchase. 14th October, 1905.

W. J. Brown, of Tilbury, to homestead the S.W.¼ 23rd October, 1905.

W. J. Brown, on behalf of the village of Nanton, for park purposes, the S.W.¼ 28th May, 1906

W. A. Chisholm, of Nanton, applied to homestead 23rd July, 1906.

W. A. Chisholm, on behalf of the Nanton Agricultural Society, for Exhibition grounds. 20th August, 1906

and in February, 1905, Mr. Frank Pedley also asked if the Department was in a position to deal with this section, and if so, what was the price.

All the above were advised that this land was reserved, and not at the disposal of the Department.

On the 29th October, 1906, the Deputy Minister of Agriculture advised this Department that there did not appear any necessity for continuing the reservation for his Department, and in consequence, the Order-in-Council dated the 6th December, 1906, was passed, releasing this section from the reservation constituted by Order-in-Council of the 9th August, 1900, and authorizing the Minister of the Interior to make other disposition thereof.

Since then the following applications have been received:-

G. S. Ferris, Secretary-Treasurer of the Nanton Board of Trade, under date the 20th February, 1907, renewed the application of the town, for this section or part of it, either as a free grant or to purchase for park and agricultural ground and other purposes, and on the 16th January, 1907, Mr. W. A. Chisholm, Secretary-Treasurer of the Nanton Agricultural Society, addressed a letter to Hon. John Herron, M.P., applying for Legal Subdivision 2,3,6 & 7, for the use of the society, and on the 26th February, 1907, Mr. H. M. Shaw, of Nanton, wrote Mr. R. A. Wallace, at Ottawa, applying for the S½ of the Section in question.

These three applications are probably for the same purpose, and on the 13th ~~instant~~ ultimo, Mr. Wallace

Wallace was advised at Manton, as follows:-

"In reference to your representations that Manton would like to secure the above land, which is now a stock-watering reserve, for park and other town purposes, I beg to say that if the town is incorporated the department will be willing to arrange for the transfer of the land in question to the town, upon mutually satisfactory terms, but that until incorporation is secured the department is unable to comply with the request. In the meantime the land will be held reserved as at present and the town authorities will be notified of any intention on the part of the Department to dispose of the reservation."

Mr. John H. Burnett, of Manton, applied, on the 15th February, 1907, for the whole section, for farming purposes.

With the exception of 3.48 acres out of Canal Subdivision 5, granted to the Calgary and Edmonton Railway Company, for Right-of-Way, and the S½ of the S½ of the Section which was likewise reserved for the Town of Manton, as above stated, the Section is undisposed of, in the records of the Patent Branch, and those of the Timber, Grazing and Irrigation Branch.

Attached is a sketch, showing the position of the land in question.

None of the later applications have been replied to, excepting that of Mr. Wallace.

Memorandum:

With reference to my memorandum of the 3rd instant, relating to the various applications for section 22, Township 15, Range 13, West of the Fourth Meridian, I beg to say that Mr.Herron, M.P., was duly advised, in accordance with your request endorsed on Mr.F.A.Thistelm's letter of the 22nd ultimo, and the Minister's decision with respect to the S.½ of the S.½ of this section, viz: was that if the town was incorporated, the Department would be willing to arrange for the transfer of the land in question to the Crown upon mutually satisfactory terms but that until incorporation was secured the Department would be unable to comply with the request; also that in the mean time the land would be held under reservation and the town authorities notified of any intention on the part of the Department to dispose of the reservation.

It will be observed on reference to my said memorandum of the 3rd instant that there are a number of applications for this section; and as the portion to be reserved under the Minister's decision only comprises the S.½ of the S.½ of the section shewn green on the sketch annexed hereto, the point now to be decided is what disposition it is proposed should be made of the balance of the section.

Mr. [illegible],

The Town authorities of Nanton should be asked why when they applied for a grant of land they did not intend to use a portion of the same for agricultural show purposes. It should be explained that the Agricultural Society have applied for a grant under their own name, and it is felt that if lands are granted to the Town for public purposes a portion of the same will be used for the same purpose as that applied for by the Society.

The only evidence required in connection with the present applc. for cemetery Site would be that of the incorporation of the Cemetery Coy.

In this case the request is made to issue patent to "La Corporation Episcopale Catholique Romaine de St Albert" which, as you know, is a body corporate.

The papers on file do not show that the new selection for 10 acres instead of 40 acres required in the original applc. has been approved or even submitted.

MEMORANDUM:-

The Minister decided that a grant was to be made of the S.½ of the S.½ of Section 22, Township 16, Range 28, West of the Fourth Meridian, to the Town of Nanton, for park and recreation purposes, and for the use of the Nanton Agricultural Society, exclusive of four acres applied for by the Roman Catholic Church of Nanton, for cemetery purposes.

The Department was subsequently advised that the location of the cemetery site had been changed, and that a new parcel comprising ten acres had been selected, and, under instructions from the Minister, the Municipality were requested to state whether the proposed change of location was satisfactory to them, and the Department is now in receipt of a communication from the Secretary-Treasurer of the Town, stating that the new location is more satisfactory than that of the first.

The land applied for, which is shown coloured yellow on the sketch beneath, is vacant in the records of the Department, and, as will be observed, is outside the limits of the proposed grant to the Town.

The point now to be decided is whether this application is to be granted, the area covered by the new location being, as already pointed out, ten acres, instead of four acres, comprising the original application. If so, an Order-in-Council will be required.

J.W.Greenway,Esq.,
Commissioner of Dominion Lands.

As

As it is desired that the patent in this case be issued to "La Corporation Episcopale Catholique Romaine de St.Albert, no new evidence on this point will be required. The usual patent fee of $10.00 will, however, have to be remitted.

I therefore recommend that a certificate be obtained authorizing the grant of the [illegible]

MEMORANDUM:

I beg to return the Minister's memorandum of the 31st ultimo, enclosing an application on behalf of the Town of Manson and of the Manson Agricultural Society, signed by the Mayor and the Secretary-Treasurer, applying for the S.½ of Section 22-18-6, W.4, [illegible] as a cemetery, [illegible] stating that it would be [illegible] satisfactory if the grant were made to the Town.

In March, 1907, the Minister decided that if the Town of Manson was incorporated, that the Department would be willing to transfer to the Town the S.½ of the S.½ of Section 22, Township 18, Range 6, West of the 4th Meridian, but that until incorporation was secured, the land could not be transferred, but was reserved in the meantime.

Memorandum to Council authorizing the grant of the S.½ of the S.½ of 22-18-6, West 4th Meridian, less Right of Way, for the Canadian Northern Railway, for the use of the Agricultural Society, as well as part of the Town, has been held, [illegible] submit the Memorandum to Council until the Town furnishes evidence of its incorporation.

Application

J.W. Greenway, Esq.,

Application is now made for the whole of the S.½ of the Section, less ten acres to be used for cemetery purposes, and if it is the wish to consider the application, a portion of Lot 8 Subdivision 8, containing ten acres, will have to be excluded, as it is to be granted to the Roman Catholic Church of Manton for a cemetery.

Mr. A. G. McCaig, M.P., has forwarded the application of one James Stevenson to secure a portion of this half section as a homestead. I notice from a memo submitted by you to the Commissioner on August 10th last respecting an application of Mr. J.A.Creighton to purchase this parcel.that the Timber and Grazing Branch report the land to be reserved for sick cattle. Could it be possible that this reservation is the same one which was withdrawn by Prior-in-Council on the 8th December,1906. I understand that you are submitting a memorandum to the Commissioner respecting this parcel. Please note Mr. Stevenson's application for consideration along with the others.

Memorandum:-

Please see the Deputy Minister's memorandum of the 14th instant, herewith, respecting section 22, township 47, range 21, west of the 4th.

According to the memorandum, dated the 11th December, 1918, from the Surveyor General, the N.½ of this section was reserved for sick cattle.

In a memo. from your Branch this morning, returned to file 1408-7, it is stated that the whole of this section, exclusive of legal subdivisions 2, 3, 6 and 7, was reserved for sick cattle.

In view of the Orders in Council of the 5th December, 1906, attached to this file, reserving this reservation and authorizing the Minister to dispose of this land, the information obtained from your Branch would appear to be incorrect. Please look into this matter and report for the Deputy Minister's information.

I may add that by Orders in Council of the 27th May 1908, 10 acres in legal subdivision 8 were granted to the Roman Catholic Church for cemetery purposes, and by Orders in Council of the 17th August last the S.½ of the S.½ of the said section was granted to the Town of Manton for park and recreation purposes.

MEMORANDUM:- 10th March,1909.

With reference to Mr.Charles H.Marshall's letter to you of the 17th ultimo, in which he makes application for homestead entry for the N.E.¼ of Section 22, Township 16, Range 28, West of the Fourth Meridian, I beg to say that the whole of this section is vacant in the records of the Department, with the exception of ten acres of the N.½ of the S.E.¼, granted for cemetery purposes, to la Corporation Filesonale Catholique Romaine de St.Albert, and the S.½ of the S.½, which stands as a special grant to the Town of Manton, for park and recreation purposes.

The whole of the section was at one time reserved for sick cattle, ~~with the exception of Legal Sub-divisions Nos. 6, 8 and 9,~~ but, under an Order-in-Council dated the 8th December, 1906, this reservation was removed, and the Minister was authorized to dispose of the land.

In this connection, please see my memorandum of even date with respect to the application of Mr. A.E.Dyment for the Northerly three-quarters of the section, (File No.1406172), and the Deputy Minister's memorandum of the 18th ultimo, (Marked).

In relation to Mr.Marshall's statement that Mr.George Topper was advised by the Department to make application for the N.W.¼ of the section on behalf of his son, I may say that the file does not show that a communication of this kind was ever written.

Several applications have been made to purchase or rent the land, and the applicants have been advised that, owing to the reservation above mentioned, it could not be disposed of.

It is now found that this reservation was withdrawn by order in Council, dated the 9th December, 1906, but through an error it was not noted against the land.

The question now arises as to the manner in which the land is to be thrown open.

Attention might be drawn to the fact that it is in the reservation area and lies immediately adjoining the town of Wanton and is likely of considerable value.

In view of this fact, it might not be considered advisable to make the land available for homestead, pre-

This appears to be somewhat disappointing as I was under the impression that no part of the land has ever been granted to the municipality, and therefore itself would be the proper [illegible] from the information and that there would be no objection on the part of the Department to advising you as to what the departmental records show.

With reference to your statement that the entire south half of the section was included within the limits of the town of Manton, I beg to say that I have absolutely nothing on file here from which to give you any information in the matter. Calgary, Alta. December 7th, 1911

Sir,

With further reference to my letter to you of the 4th instant in connection with the north-east quarter of section 22- 16- 28, west of the Fourth Meridian, a portion of which appears to have been granted by the Department to the municipality of Nanton, I am enclosing herewith a letter which I have just received from Mr. Alec A. Ballachey, barrister of High River, on behalf of Mr. A. T. LeClair, who, according to the records here, has been permitted to purchase Legal subdivisions 5, 6 and 7, the west half of the north half of the north-east quarter and the south half of the north-east quarter of Legal subdivision 8, of the afore-mentioned section.

From the correspondence which was submitted to you on the 4th instant, and also from previous correspondence which has been submitted to the Department, you will observe, no doubt, that the south half of the section appears to have been incorporated in the town of Nanton and that Mr. Ballachey's client, Mr. LeClair, has been called upon to pay taxes on this property.

The reply contained in the Departmental letter to Mr. Ballachey, which is dated the 13th ultimo, appears to be very unsatisfactory, and I trust that you will be able to make things clear as to any grant which may have been made by the Department to the village of Nanton of any part of this land. Sir,

In reply your file 27341 and
A.F.LeClair.

I am directed to acknowledge the receipt of your letter of the 7th ult., and to say that the Departmental letter of the 13th November last appears to be quite consistent.

This Department cannot state what lands are included within the incorporated town of Manton and any information to that effect should be obtained from the town authorities.

I might add that the land which was patented to the [illegible] was the west half of legal subdivisions 1, 2, 3 and 4 of section [illegible], 4th, less right of way of the Canadian Northern Railway which comprises the south half of the south half of this section.

The land which was sold to Mr. A.F.LeClair was legal subdivisions 5, 6 and 7, the west half, the north half of the north-east quarter and the south half of the north-east quarter of legal subdivision 8. None of this latter land is included within the limits of the land patented to the Town of Manton.

Gentlemen,

With further reference to your letters of the 23rd June and 10th September last, and to the subsequent reply thereto of the 21st ult., I beg to advise you that a statement from the Province to the effect that the roadway is not required, is not sufficient to cause the roadway to be cancelled, as the roadway becomes vested in the Province by fact of the filing of the road plan.

In view of this fact, the only way in which the roadway could be revested in the Crown in the Dominion is under the authority of the Lieutenant Governor in Council.

As requested by you, I am enclosing you herewith a tracing of that portion of the road plan which crosses the land in question, namely, the south-east quarter of section 22, township 16, range 23, west of the 4th meridian.

Ottawa, 9th May, 1914.

Gentlemen,

I am directed to return, herewith, the transfer from the Town of Manton to the Crown which was received from under cover of your letter of the 14th December last, as although it is satisfactory, in so far as this Department is concerned, in all other respects the Crown is not satisfactorily described in it. The words "His Majesty King George the Fifth in the right of Canada" should be used instead of the words: "His Majesty the King, as represented by the Honourable the Minister of the Interior."

When the transfer has been so corrected it should be registered in the Land Titles Office at Calgary by the Registrar of the South Alberta Land Registration District to show the patent in favour of the Town of Manton which was issued upon the 14th November, 1913, for the parcel of land, of which the land described in the above mentioned transfer is part, was sent upon the 31st December 1913; and a duplicate certificate of title in favour of His Majesty King George the Fifth in the right of Canada, should be obtained and should be forwarded

Messrs. Harris & Hodson,
Real Estate, &c.,
Manton, Alta.

forwarded to this Department. After this action has been taken steps will be taken here to obtain the necessary authority, by Order of the Governor General in Council, to lease the parcel of land in question, containing 1.83 acres, to the [illegible] Creamery Association.

[illegible] certificate of title [illegible] should state in the covering letter the subject [illegible] of the application so that there may be no delay on that account in obtaining final action here.

I am, Gentlemen,

Your obedient servant,

Ottawa 8th May, 1913.

Sir,

Replying to your letter of the 11th ultimo, in which you request the approval of the Department of a proposed lease from the Town of Manton to the Manton Creamery Association of two acres of land comprised in the S. ½ of the S. ½ of Section 22, Township 16, Range 28, West of the Fourth Meridian, I beg to inform you that the S. ½ of the S. ½ of the said Section 22 was patented on the 16th November, 1908, to the Town of Manton for park and recreation purposes under the authority of an Order in Council bearing date the 17th August, 1908, and that, under the provisions of the letters patent, the patentees have not the authority to grant such lease nor is there any authority under which the sanction of the said lease may be given by the Department. In this connection, I would point out that, in any event, the said two acres cover part of the road allowance.

I may add that the only way in which the two acres in question might be leased for creamery purposes would be for the patentees to revest the same in the Crown, less the portion included in the road allowance, when the question of leasing to the Creamery Association would receive the consideration of the Department.

Enc.

I am returning herewith the copies of the proposed lease which accompanied your letter above referred to.

Re parcel of land in S.E.¼ Sec.22-16-28 W.4th.
required for a Creamery.

Sir,

In further reference to the Departmental letter of the 12th ultimo.

I beg to say that it has now been ascertained that the Department was in error in stating that a road existed along the blind line on the south boundary of this quarter section affecting the parcel required for the Creamery.

Although you were furnished with a tracing on which the road was shown as existing, the tracing was wrong caused by the clerk who made it having looked at the road way across the S.E.¼ of section 22-16-27-W.4th Mer.

In view of the above will you kindly say whether the certificate of title which vested a parcel of land 33 feet north of this supposed roadway will cover all the land which the Association desires to lease.

The parcel measures 267 feet north and south and 300 feet east and west and is 1800 feet west of the S.E. corner of the quarter section and contains 1.83 acres.

If

G.S.Ferris Esq.

If this is not satisfactory it will be necessary to obtain a further transfer from the Town of Nanton of the strip of land 33 feet in width lying between the southern limit of the land vested in His Majesty in the Right of the Dominion of Canada by Certificate of Title 7 J.158 and the south boundary of the quarter section which may be described as follows:

" All that portion of the south east quarter of section twenty-two in township sixteen range twenty-eight West of the fourth meridian which may be more particularly described as follows:
Commencing at a point in the south boundary of the said quarter section distant eighteen hundred feet measured westerly along said south boundary from the southeast corner thereof, thence northerly and parallel with the east boundary of the said quarter section a distance of thirty-three feet, thence westerly and parallel with the said south boundary a distance of three hundred feet, thence southerly and parallel with the said east boundary a distance of thirty-three feet more or less to the said south boundary, thence easterly following the said south boundary a distance of three hundred feet more or less to the place of commencement and containing by admeasurement twenty-three hundredths acres more or less."

The transfer should then be registered and a Certificate of Title in favour of His Majesty in the Right of the Dominion of Canada be obtained and forwarded here.

In the meantime no further steps will be taken towards issuing the lease until you are heard from.

Dear Sir:-

In reply to your favor of the 14th instant, re Parcel of land in the S.W. 24-16-24 required for a Creamery, I beg to say that under the circumstances it would be just as well to put the Transfer through as it stands. I believe the Town would be agreed to allow us a right of way over the thirty-three feet in any case. The land mentioned in the Transfer is all that we require for the Creamery.

It would have been much better of course, if the original Transfer had been allowed to stand, but it would entail additional expense to make and register a new Transfer which we do not care to incur at the present time.

Re File No.7.2788

Gentlemen:-

Replying to your favor of the 3rd inst., enclosing draft of Lease for our approval, I may say that we have looked same over carefully and it meets with our approval, excepting Clause 3. We would like to have the privilege of sub-letting provided that the premises should be used for the purposes of a Creamery, only. This Association does not look to make a revenue out of the Creamery but are trying to encourage dairy farming in the District and if we find that it would further our object to sub-let to a competent man, we would like to be able to do so without it being necessary to secure the consent of the Minister, which would surely take a considerable length of time.

In regard to Clause 5, I may say that there is now located upon the premises a good Creamery building with all Machinery and the same has been running for the past three years. In all other respects the Lease has drafter will be satisfactory.

Hoping you may be able to complete the same at an early date, I remain,

Dear Mr. Coote,

Lease to the Manton Creamery Association.
East ½ of S 2-16-3-4th W.
.....

In Mr. Cory's absence I am acknowledging your letter of the 22nd. I note your statement that the Association has gone out of business and that the Creamery building has been purchased by the town of Manton. The lease contains the proviso that the same shall terminate at any time during the term thereof in the event of a Creamery not being erected or ceasing operations.

On the 3rd February last, we had a letter from the Kelowna Agency Company of Manton, in which the statement was made that the Manton Creamery was not been operating for the last few years. Under these circumstances, and in view of your letter, instructions are being issued to have the lease cancelled and the land (1.63 acres) again vested in the town of Manton for park and recreation purposes, this parcel having been surrendered by the town in the first place in order that it might be leased to the Creamery Association.

Yours very truly,

G.C. Coote, Esq., M.P.,

Statement to accompany Memorandum
to Council dated 15th December, 1923.

Recommending that authorization be granted for the issue of letters patent in favour of the Town of Raymond, Alberta, covering a certain parcel of land in the South East quarter of section 23, township 1, range 17, west of the 4th meridian, in the Province of Alberta, containing by admeasurement 1.3 acres more or less, the land to be used for park and recreation purposes only, and for the use of the Raymond Agricultural Society and its successors as well as for that of the said Town and its successors.

Subsequently the Town revested the said 1.3 acres in the Crown in the right of the Province in order that it might be leased to the Raymond Creamery Association; on the 1st August, 1918, a lease of the parcel was issued to the Creamery Association, under the authority of an order in Council (the date of which, 14th November, 1918, O.C.2016), for a term of twenty-one years commencing from the 1st April, 1918; the annual rental payable was $1.00.

In September last Mr. J. A. Boote, M.L.A., wrote the Department from Raymond, Alberta, stating that the Raymond Creamery Association had gone out of business and that its creamery building had been purchased by the Town, and applied on behalf of the Town Council for a grant of the parcel to the Town.

Under the circumstances, an official notice was forwarded to the Secretary Treasurer of the Creamery Association on the 3rd instant cancelling the lease.

The parcel is therefore now available in the Department records for re-granting to the Town.

The Town afterwards reverted a portion of the area, comprising 1.43 acres, in the Crown so that it could be leased to the Nanton Creamery Association, and a lease for twenty-one years was issued on August 28th, 1915. The association subsequently went out of business and the said portion of 1.43 acres was again patented to the Town of Nanton on January 11th, 1924, subject to the habendum clause quoted above.

As you are aware, any question of release or change in the grants and their provisions would now be a matter for the attention of the Provincial Authorities.

A copy of this letter is, as you requested, being forwarded to [illegible] for his information.

Mr. Roy Gibson,

Dear Mr. Gibson:-

With reference to our conversation this-morning regarding land to sell or lease to the Town of Nanton, I am now enclosing a copy of a letter received from Mr. Loree, who, I think, is secretary of the Nanton Agricultural Society. Mr. Loree does not give a description of the land, but as near as I can determine, I believe it would be the south half of the S. E. ¼ of Section 22-16-28 W. of the 4th.

I would be very much obliged if you would write me as soon as possible giving whatever information you can in regard to the rights of the Agricultural Society under the terms of the original lease from your department.

I would also be glad if you would send a copy of the letter direct to Mr. P. C. Loree, Secretary, Nanton Agricultural Society, Nanton, Alberta.

Thanking you in anticipation of an early reply, I am,

Yours very truly,

Dear George:-

I am enclosing a letter the town mailed to the Agricultural Society some time ago. We replied stating it was not our intention to beg permission from the town to use grounds. Our authority for that statement was stated - copy of letter from the Minister of the Interior to Mr. Legler which you procured for us, stating this ground was for use of Town of Nanton and The Agricultural Society. The issue which prompted the town to write this letter was that Streeter was agent to buy Bucking Horses for the old country rodeo and was trying out horses brought in by Dennison and Pence, both local men. Had these horses been bought the money would have been spent in the locality and we think the enterprise should have been boosted instead of opposed as the Town did. You will gather that Taylor, as president, granted this permission over their refusal.

The whole thing revolves around the Golf Club. They have their tees and greens around the agriculture buildings and carrals and are afraid some damage might happen to their courses. This is not the place for a golf course, but the Town are farming the proper place for their course and of necessity had to build where they did.

Would you find out how long the town was granted permission to farm this land, also if the revenue from this source should not be spent on park grounds.
